Parents Night Out

We want to encourage children to come and have fun at the church and know it is a safe place to be. Once a month we offer a time for Parents to go out on the town and the children can come to the church and play and have fun with their friends. The cost is \$5 per child and is from 5-9. The times are posted on the board in the Children's Department. For each month.

4th-6th Grade Momentum

The event is held once a month and is designated for children to bring their friends. We collaborate with other churches and the children get to play games, activities and have fun. It is from 7:00-9:00 p.m.

Missions

The children sponsor many different missions projects throughout the year, the Heifer Project, food drives, clothing drives, letters to soldiers and many more.

Tithe and Offerings

We encourage you to discuss the importance of giving with your child. There are church "banks" in each classroom. The donations go towards the general operations of the church.
