## CHILDREN'S DIRECTORS CORNER

*I am so excited to tell you about a new and wonderful opportunity for 4th-6th graders here at Green Mt. UMC along with Green Mt. Presbyterian and Lutheran Church of the Master. We are getting together once a month to offer a fun night called Friday Night Momentum for 4th-6th graders and their friends of the Green Mt. area to have a fun night of activities, music, and snacks! This is all free and just requires parents to help as chaperones once in awhile and with snacks. We are hosting the first event which will be a Glow in the Dark Night. We need at least 3 adults here and some people to provide some soda, and snacks such as Chex Mix, Chips, Cookies!*

*I had a real call to get this ministry started in order to attract more upper elementary age kids to our church as well as the other churches. With the other two churches we hope this will catch on and bring a lot of kids in the Green Mt. area to these fun events! I hope that you will get behind this new ministry and get involved in some way to make this a huge success!!*

*We have many other opportunities this Spring for you and you family. I hope that you will take time to read through this newsletter and see how you might get your family involved in an activity. We do need help with several of our events and in order to make them happen we do ask for volunteers to step up! When this happens we can grow our programs.*

Blessings,  
Cheryl
